ORIGIN OF STATISTICAL SERVICES IN GOA

Initially, a Section, “Statistical Services” was set up in 1878 under the Department of Public Works. In 1896, the Section was brought under the Secretaria Geral do Governo. On 6th September, 1927, the Directorate of Statistics was created through the enactment of a Legislation “Carta Organica” and the Director of Civil Administration was given additional charge of the Directorate. Subsequently, the Directorate was abolished and the Department of Statistics was set up on 13th August, 1931. It was re-designated as Central Department of Statistics and Information in December 1945. In 1958, the Central Department of Statistics and Information was bifurcated into Department of Information and Directorate of Economic Services and General Statistics. After liberation of Goa from Portuguese rule, the Department of General Statistics was separated from the Directorate of Economics in January 1963. In 1968, the Common Statistical Cadre was formed for better planning and coordination of work. In September 1971, with the amalgamation of the Department of General Statistics and the Organization of Planning & Evaluation, the Bureau of Economics, Statistics and Evaluation was established. This is presently known as the Directorate of Planning, Statistics & Evaluation (DPSE) and Office of the Chief Registrar of Births and Deaths.

PROFILE OF THE DIRECTORATE

The Directorate of Planning, Statistics & Evaluation (DPSE) and Office of the Chief Registrar of Births and Deaths is the Nodal Department for all statistical activities in the State, conduct of Census and Surveys as per National guidelines and effective implementation of the Registration of Births and Deaths Act, 1969. Atal Gram Development Agency – Goa (AGDAG)

Atal Gram Development Agency-Goa

The Atal Gram Development Agency- Goa (AGDAG) is registered as a Society under Societies' Registration Act, 1860 in compliance to a Budget Assurance made by the Government in the Budget Speech 2014-15 for effective implementation of the Atal Gram Yojana scheme. The Agency is headed by the Project Director cum Member Secretary and its functioning is governed by a Board of Governors. The staff of AGDAG comprise of the personnel from DPSE itself posted on deputation.

The main aim of the scheme is to tap the full economic potential of the village covering agriculture and allied sector in particular, besides developing hinterland tourism. Emphasis is laid on encouraging women belonging to Scheduled Tribes to take up self-employment, be self-dependent and to develop their entrepreneurial skills and thereby contribute to their family income. The Directorate of Planning, Statistics and Evaluation (DPSE) releases financial grants to the Agency for taking up various development schemes/projects under the AGY scheme.

Considering the socio-economic background, remoteness of the village and substantial composition of scheduled tribe population, predominantly dependent on agriculture, Netravali village in Quepem taluka has been adopted to tap the economic potential of that village and to develop it into a Model Village which can then be replicated for other villages.
